**TO:** ELIGIBLE NONPROFIT ORGANIZATIONS AND INTERESTED PARTIES

**RE:** MITIGATION PAYMENTS PURSUANT TO SB 1369 (Cedillo and Battin, Chapter 748, Statutes of 2008)

In accordance with SB 1369 (Penal Code section 326.4) the California Gambling Control Commission (Commission) is soliciting applications from eligible nonprofit organizations to apply for mitigation payments from the new Charity Bingo Mitigation Fund. Payments are available to eligible nonprofit organizations to ease the transition to remote caller bingo. Application packages are available on the Commission's website at [www.cgcc.ca.gov](http://www.cgcc.ca.gov).

Applicants must submit the following information to the Commission no later than January 31, 2009 to be considered for a mitigation payment. Late applications will not be considered.

1. Application for Bingo Mitigation Payment (CGCC-600);
2. Board of Directors resolution documenting the organization's cessation of electronic devices as of January 1, 2009;
3. Official records maintained by the local jurisdiction where the organization is located of the net revenues generated by the organization for the fiscal year ending June 30, 2008 from the use of electronic gaming devices or the organization's audited financial records for the fiscal year ending June 30, 2008 that show the net revenues generated from the use of electronic devices.
4. Payee Data Record (Std. 204) - State and Federal law require the vendor's taxpayer identification number and will be used to determine whether the payment(s) to the vendor are reportable (this form is included as part of the Commission's application package); and,
5. Copy of the organization's local ordinance that, as of July 1, 2008, expressly recognized the operation of electronic devices other than card-minding devices.

Application packages should be mailed to:

California Gambling Control Commission  
Support Services Division - Bingo Mitigation  
2399 Gateway Oaks Drive, Suite 220  
Sacramento, CA 95833

The Commission will review applications packages and notify applicants of the status of their application. Payments will be processed prior to June 30, 2009.

Please note that payments may be reduced if total approved applications exceed \$5 million. Penal Code section 326.4(e)(3) indicates that in the event that the total of all mitigation payment requests exceeds the \$5 million available in the Charity Bingo Mitigation Fund, payments to all eligible applicants will be reduced in proportion to each organization's reported or audited net revenues from the operation of electronic devices.

If you have any questions concerning this application package, please contact Dale Kuroda, Manager, Support Services Division, at (916) 263-0497.

Sincerely,

Terresa A. Cia  
Executive Director
